

# CHEMICAL TESTING CORPORATION

## *Product Information*

### SAFETY DATA SHEET

PRODUCT:

OXITE Dissolved Oxygen Control

Composition: Sodium Sulphite  
Cobalt Sulphate

Fire or explosion hazard: None

HEALTH HAZARD DATA:

External: Wash area with clean water for  
5 minutes.

Internal: Drink solution of milk or warm  
water and flour.

REACTIVITY DATA:

Stability: Stable  
Polymerization: Will not occur  
Spill or leak procedures: Dilute with water

Special Protection Information:

Respiratory:	Wash if dust is prevalent
Ventilation:	Not required
Protective Gloves:	Not Required
Eye Protection:	Goggles

Special Precautions: None
